Message to Parents/Guardians

Dear Parents/Guardians:

It is a pleasure that we provide you with the 2017-2018 *Annual Report to Parents* in accordance with the South Carolina Finance Act of 1977. Each year we set goals and identify strategies that will enable us to continue to enhance our educational practices, and our continued success would not be possible without you.

Through the cooperative efforts of parents, students, faculty, and administration, Furman Middle School has continued to experience positive growth in many areas. In cooperation with our students' homes and the community, we strive to prepare students for responsible citizenship, lifelong learning, and productive employment.

We encourage all parents to become involved in their child's education through participation in the School Improvement Council (SIC), the Parent, Teacher, Student Association (PTSA), and through special events and activities. Furman Middle School will continue to shine as parents, students, and faculty work together for all students' education.

Sincerely,

John Van Patten, SIC Chairperson
