

Early Childhood Education

Earn your B.S. in early childhood education from Northern Illinois University at the University Center at McHenry County College.

By studying early childhood education, you'll learn how to nurture and educate young minds during their most critical developmental stages. We'll prepare you to obtain your state of Illinois Professional Educator License in Early Childhood Education. Our alumni become teachers, child care administrators, family services workers, and resource and referral specialists. The average mid-career salary for graduates of this program is \$60,135[†].

Our experiential and research-informed program will provide you more than 500 hours of direct experience and prepares you to:

- Teach birth- through second grade-aged children in Illinois public schools.
- Teach children with disabilities aged 3-6 with our Early Childhood Special Education approval.
- Teach children with diverse language backgrounds with our English as a second language (ESL) approval.
- Apply for the Gateways to Opportunity Level 5 Early Childhood Education (ECE) credential.

Our program is approved by:

- Illinois State Board of Education (ISBE).
- National Association for the Education of Young Children (NAEYC).
- Gateways to Opportunity.
