

# FOREST SERVICE FIRE & AVIATION QUALIFICATIONS GUIDE

February 28, 2011

# Forest Service Fire and Aviation Qualifications Guide, Chapter 1

---

**File Code:** 5100

**Date:** February 14, 2011

**Route To:**

**Subject:** Change to FSH 5109.17, Issuance of Forest Service Fire and Aviation Qualifications Guide

**To:** Regional Foresters, Station Directors, Area Director, Regional Fire Directors, Regional Aviation Officers

Forest Service (FS) policy relating to Fire and Aviation Management Qualifications in the FSH 5109.17 is outdated due to the rapid changes in training courses and career development processes. This creates serious problems for FS personnel in meeting qualifications as well as succession planning.

Effective February 28, 2011, “The FS Fire and Aviation Management (FAM) Qualifications Guide” will replace Chapters 20, 30 & 40 of the FSH 5109.17 and will be referenced in the FSH 5109.17 Chapters Zero Code and 10 Code as policy. The Forest Service Fire and Aviation Qualifications Guide will be on the FS FAM web page at: <http://www.fs.fed.us/fire/index.html> with current requirements for FAM positions.

This guide will be updated annually in conjunction with the National Wildfire Coordinating Groups issuance of the PMS 310-1 Wildland Fire Qualification System Guide as well as when updates are issued to the PMS 310-1.

Maintaining this guide will be the responsibility of the Branch Chief, FAM Training, and an advisory council consisting of the Regional training officers, selected subject matter experts, and a union representative.

Please direct any questions about this update to Jill McCurdy, Branch Chief, Fire and Aviation Training, at [jmccurdy@fs.fed.us](mailto:jmccurdy@fs.fed.us) or 208-387-5737.

*/s/ James E. Hubbard*

Deputy Chief, State and Private Forestry

cc: Wm C Waterbury, Neal Hitchcock, Larry Sutton, Ron Hanks, Jill M McCurdy

**FOREST SERVICE FIRE AND AVIATION QUALIFICATIONS GUIDE**

**CHAPTER 2 PART 1 - QUALIFICATIONS AND CERTIFICATION**

**Effective Date: February 28, 2011**

**Updates:**

2.22 – Added rules regarding Incident Qualifications and Certification System access and security violations and mitigation.

Deleted direction associated with use of position task books that has recently changed in the PMS 310-1.

Added direction on use of Agency specific position task books.

Removed “Fire Use”. Inserted “Prescribed Fire” when referring to planned ignitions; inserted wildfire when referring to unplanned ignitions.

2.24 – Deleted references to the requirement to follow the Interagency Helicopter Operations Guide as a part of certification.

2.26 – Deleted redundant language to the direction in PMS 310-1.

2.31 – Clarified who should be required to take the “Light” Work Capacity Test.

2.6.4 – Updated some role titles for qualification signing authority.

2.71 – Updated qualifications in a number of the position in Exhibit 01. Consolidated FUM1 and FUM2 into single position which is named Strategic Operational Planner (SOPL). Moved the new position from Command and General Staff Positions section to Planning Positions section.

**Table of Contents**

**2.0 – INTRODUCTION ..... 3**

    2.6, 1 - PMS 310-3, Incident Qualification Card Signing Authority ..... 22

**2.7 - POSITION QUALIFICATIONS..... 23**

    2.71 - NWCG Positions ..... 23

## 2.0 - INTRODUCTION

This chapter sets out the interagency requirements outlined by the National Wildfire Coordinating Group (NWCG) in the Wildland Fire Qualification System Guide, PMS 310-1, additional interagency requirements outlined in guides referenced in Zero Code of the FSH 5109.17, and additional Forest Service requirements for incident and prescribed fire management positions.

In addition, standards established for technical specialist positions are included in this handbook.

The complete list of 4-letter position job code identifiers, which are approved by the NWCG Position Naming Board, are maintained on the Incident Qualifications and Certification System website: <http://iqcs.nwcg.gov/>.

Direction related to training courses, delivery, equivalency, and instructor qualifications can be found in chapter 3 of this Guide.

The National Fire and Aviation Executive Board developed the Interagency Fire Program Management Qualifications Standards and Guide (FSM 5108), which contains minimum qualification standards for fire and aviation management positions. Direction related to competencies for fire and aviation management positions is contained in chapter 4. Additional information can be found at <http://www.ifpm.nifc.gov/>.

## 2.1 - QUALIFICATION FOR INCIDENT AND PRESCRIBED FIRE POSITIONS

This section sets out the additional requirements for skills, training, and prerequisites for Forest Service employees for the incident and prescribed fire management positions. Qualifications for

## Forest Service Fire and Aviation Qualification Guide, Chapter 2, pt 1

each position include the minimum acceptable levels of training, experience, physical fitness, and/or currency requirements (ch. 2) except where noted in this Guide.

Job descriptions and duties for these positions are listed in the NWCG Fireline Handbook, PMS 410-1, or in the interagency guides and agency directives listed in Zero Code of the FSH 5109.17.

1. The successful completion of a position task book during an appropriate number of evaluation assignments is the indicator of qualification. For positions that do not have a position task book, the Forest Qualification Review Committee shall review and recommend to the certifying official an individual's certification and qualification, based on objective factors such as performance evaluations and visual observation of performance of duties of the positions.
2. Personnel who have learned skills from sources outside the wildland fire management curriculum may not be required to complete specific NWCG courses in order to qualify in an incident and prescribed fire management position (sec. 3.2 - Course Equivalency).

3. Personnel currently employed by state agencies or other non-Federal cooperators (such as rural, county, and city fire departments) and hired as Administratively Determined (AD) personnel participating in cooperative fire management efforts, must be compliant with the minimum position requirements specified in the NWCG Wildland Fire Qualifications Systems Guide, PMS 310-1. Additional training requirements contained within this handbook do not apply to these individuals when they are hired, since the Forest Service is hiring these individuals on a temporary basis to perform in positions where their agency has already certified them.

4. For contract fallers and equipment operators, hired under Emergency Equipment Rental Agreements (EERAs), designated for fireline operations, the hiring unit or hiring official is authorized to evaluate their knowledge, skills, abilities and associated certifications or past performance records. Individuals who serve in these positions and have existing contracts which outline specific knowledge, skills, and abilities may utilize these documents as evidence. If determined sufficient, these individuals may be utilized as a resource on local incidents, when they can be supervised by falling bosses, dozer bosses, or other similar certified supervisors.

When employed specifically for their occupational skills, physical fitness testing and course requirements for these positions do not apply (FSM 5134.2). Pursuant to section C of PMS 310-1, "Agencies shall not certify private contractors except where formal agreements are in place". The Forest Service obligation is to monitor and evaluate the performance and safety of these technical specialists.

## 2.2 - CERTIFICATION

1. All regular Forest Service personnel and cooperators employed by the Forest Service under the Pay Plan for Emergency Workers (Interagency Incident Business Management Handbook, PMS 902-1) and assigned Incident Command System (ICS) positions must be judged to be technically and physically qualified to fill their positions.
2. Qualification for a position in the NIMS/ICS organization depends on proven ability (sec. 2.1). Training, experience, and physical fitness are prerequisites for qualification. However, certification to hold an ICS or prescribed fire position is determined through evaluation of performance as a trainee in the target position (if required), or in a prerequisite assignment.

The Washington Office, Regional or Forest Qualification Review Committees shall determine when the individual is prepared to advance to the next higher level and make recommendations to the certifying official. Documentation of the recommendation and decision shall be placed in the employee's master record file (sec. 2.21).

3. Each employee's incident and prescribed fire position qualifications (including physical fitness and experience) must be re-evaluated annually by the certifying official to determine certification, recertification or decertification and a new Incident Qualification Card must be issued. This includes all Forest Service employees as well as Administratively Determined (AD) employees certified by the Fire Program Management Staff Officer.
4. Employees transferring to the Forest Service from another NWCG agency must be re-evaluated by the certifying official to determine certification.
5. The Fire Program Management Staff Officer should ensure that a system is in place to establish priorities for training and currency assignments.
6. A Qualification Review Committee shall be established on each unit (Washington Office, regional office, or forest) to review and recommend certification of personnel to the certifying official. At a minimum, the committee shall include the Fire Management Staff Officer, a line officer representative, Incident Qualifications and Certification System (IQCS) Administrator, and a representative from the National Federation of Federal Employees (NFFE) or other appropriate Forest Service union official, as well as representatives knowledgeable of the unit's personnel. Deliberations, rationale and decisions must be documented as appropriate to establish criteria and provide background for employee performance enhancement planning.

## Forest Service Fire and Aviation Qualification Guide, Chapter 2, pt 1

---

- a. The Washington Office Review Committee (WQRC) shall review all individuals possessing Area Command and Type 1 Command and General Staff position qualifications, who are assigned to the Washington Office.
  - b. Regional Qualification Review Committees (RQRCs) shall review all individuals possessing Area Command and Type 1 Command and General Staff position qualifications who are assigned in that Region.
  - c. Forest Qualification Review Committees (FQRCs) shall review all individuals possessing Type 2, or lower, position qualifications.
7. If an individual is serving in the designated 3 year Task Book completion period and an amendment to FSFAQG is issued, the position standards, contained in the amendment apply.
8. If amendments to FSFAQG are issued which identify additional required training for positions, such training will not be required for individuals qualified and current for those positions at the time of amendment. There may be exceptions, examples include Homeland Security Presidential Declaration #5 (HSPD-5) which required successful completion of IS-700 for all employees, whether or not they were previously qualified. Recommendations from Accident/Incident Abatement Plans may also require training for all employees, whether or not they were previously qualified. An example is the Time Pressure Simulation Assessment for all Incident Commanders, Type 3. Field units will be notified when additional training is required through a letter from the Deputy Chief of the training requirement and who it applies too.

9. Specific training may be required by the Occupational Safety and Health Act regarding hazardous waste operations during emergency response and may be coordinated by Occupational Safety Health Administration (OSHA).

## 2.21 - Annual Fireline Safety Refresher

. Detailed information on refresher training can be found in chapter 3, 3.13.

## 2.22 - Record Keeping

Beginning with the March 26, 1990, amendment to FSH 5109.17, the Forest Service requires that certification records supporting qualifications on the employee's Incident Qualifications Card be maintained. The forest fire program management staff officer on each Forest shall ensure that certification records are maintained.

1. A file folder in paper copy format must be maintained for each employee for records related to certification in fire and aviation management positions. These records must be centrally located on the unit and readily accessible to the fire program manager. The fire program manager shall determine the centralized location of the records and provide direction to the units.

2. The contents of these folders shall include:

a. All relevant evidence of course completion related to position qualifications.

Relevant evidence may consist of training certificates, copies of course completion rosters and/or completed Request for Training (SF-182) forms, or other third party validation that the training has been successfully completed. Documents from the

course lead instructor or course coordinator, certifying that the employee successfully completed the training, are acceptable.

Only the lead instructor, course coordinator, or an individual who can validate the responder's successful completion of the training can provide third party evidence to substantiate course completion. An individual who also attended the course is not acceptable third party evidence.

b. Individual Performance Rating, Form ICS 226. Prior to the implementation of Position Task Books in February 1994, the Individual Performance Rating, Form ICS 226, served as evidence that the employee satisfactorily performed in a position.

If an Individual Performance Rating recommending the individual for certification cannot be located for the periods from March 1990 through February 1994, verification can be accomplished with a letter or e-mail from the final evaluator validating:

- (1) A recommendation that the individual be considered for certification.
- (2) A list of the incident(s) and date(s) when the final evaluation and previously recommended certification was completed.

c. Position task book verification (the inside front cover of task book, showing recommending final evaluator and Certifying Official's signatures and dates). If no copy of a qualifying position task book verification page can be located, verification may be accomplished with a letter or e-mail from the final evaluator validating:

- (1) Satisfactory completion of all tasks.

- (2) A recommendation that the individual be considered for certification.
  - (3) A list of the incident(s) and date(s) when the final evaluation and previously recommended certification was completed.
- d. Other Documented Evidence of Continued Certification. When course completion and position task book verification evidence is missing, the certifying officials must also document that the employee was eligible for certification and their decision to continue to certify the employee in the position. In each case, the certifying officials must document their rationale to retain the employee's qualification.
- e. Yearly updated Incident Qualifications and Certification System Responder Master Record (RPTC028) from IQCS.
3. Decertification. Decertification of an individual's ability to perform is the responsibility of the employing line officer at the Washington Office, region, forest, or district level. Decertification records shall be maintained in the employee development folder (EDF), which is maintained by employee's work supervisor.
  4. Record Keepers must take the IQCS course. Everyone that takes the IQCS course must sign a "Statement of Responsibility" and "IQCS Rules of Behavior". The Statement of Responsibility form identifies "GENERAL BUSINESS PRACTICES - INCIDENT QUALIFICATIONS AND CERTIFICATION SYSTEM (IQCS)". These forms commit them to uphold security requirements within IQCS. This includes commitment to adequately protect and not share individual user IDs and passwords. In support of these agreements, all those Agency employees that have authorized access to IQCS shall

## Forest Service Fire and Aviation Qualification Guide, Chapter 2, pt 1

---

maintain strict access/security protocol. If they are found in violation of the protocol, their access will be suspended and the following mitigation(s) will apply:

**First Violation:** The supervisor, certifying official or staff officer shall determine the violation causal factor(s) and develop a mitigation plan of action. Causal factors may include, but not be limited to, inordinate volume of data entry; insufficient authorized staff; inappropriately targeted account holder; insufficient protection of user ID and password; pressure to share access, etc. The plan of action will require total mitigation by the represented unit. Individual access will be reinstated after the plan is completed and submitted to and approved by the Agency IQCS Representative.

**Second Violation:** Re-evaluation of first violation mitigation. Removal of access until the user completes a review of IQCS “Statement of Responsibility” and “IQCS Rules of Behavior” associated with security responsibilities.

**Third Violation:** Re-evaluation of first violation mitigation. Removal of access until the user completes the next available Security Training in AgLearn. Individual access will be reinstated with the submission of Certificate of Training to the Agency IQCS Representative.

**Fourth Violation:** Permanent removal.

## 2.23 - Position Task Books

Position Task Books (PTB) identify all critical tasks required to perform the job for most standard incident management and prescribed fire positions. Position Task Book

Responsibilities are contained within the Wildland Fire Qualification System Guide, PMS 310-1.

1. An individual may not have more than six active position task books at one time. No more than two of the six allowed position task books may be in a single functional area, including prescribed fire positions. The functional areas include:

- a. Command and General Staff
- b. Finance
- c. Logistics
- d. Operations
- e. Air Operations
- f. Planning
- g. Prescribed Fire.
- h. Incident Support and Associated Activities (examples includes Expanded Dispatch or Wildland Fire Investigation).

2. In a few instances, agency or interagency position task books have been developed for positions outside those identified in PMS 310-1. Where these PTBs exist and have a

## Forest Service Fire and Aviation Qualification Guide, Chapter 2, pt 1

---

Forest Service Logo on the front page, they shall be used to complete performance evaluations. The PTBs will be reviewed for qualification using the same procedures as those sponsored by NWCG.

3. For positions that do not have a position task book, the Forest Qualification Review Committee shall review and recommend to the certifying official an individual's certification and qualification, based on objective factors such as performance evaluations and visual observation of satisfactory performance of position duties.

### **2.24 - Currency Requirements**

1. Currency requirements are contained in PMS 310-1. Currency requirements for air operations positions may also be met by performing on a day-to-day basis or on special projects, such as aerial spraying, search and rescue, and aerial ignition on prescribed burns. The day-to-day operational standards for these positions are governed by the procedures outlined in the Interagency Helicopter Operations Guide (IHOG).

Currency requirements for Security Manager (SECM) and for Security Specialist Type 1 (SEC1) may also be met by employment in good standing as a Forest Service Criminal Investigator or Law Enforcement Officer performing security and law enforcement work.

The day-to-day operational standards for these positions are governed by the procedures outlined in FSM 5300 and FSH 5309.11 and must be followed in order to meet the currency standard. Such law enforcement personnel meeting these currency requirements shall be identified as provided for in FSH 5109.17, Zero Code, Section 04.1-2 and Section 04.3-3.

2. Position experience is considered as qualifying only if the individual has previously met all prerequisite requirements for the position assignment.
3. If a position currency on an individual's Qualifications Card expires while they are performing that position on an assignment, the individual shall be allowed to complete the assignment. However, they shall not be reassigned in any expired position by the incident or home unit until they have re-established currency through the FQRC for that position.

### 2.25 - Recertification

Management evaluation of an individual's competency is key to recertification where qualifications have expired.

1. If currency has lapsed, the individual shall revert to the trainee level in the position for which currency has lapsed and shall be issued a position task book for the position, complete on-the-job-training if needed, complete any additional required training courses which have been added to the position for which they are attempting to recertify and requalify in the related position performance assignment.
2. Incident Commanders, Type 3s, who have lapsed currency shall complete an approved Time Pressure Simulation Assessment (TPSA) prior to being recertified.

### 2.26 - Decertification

## Forest Service Fire and Aviation Qualification Guide, Chapter 2, pt 1

The decertification procedures in this section are intended to ensure safe and effective individual performance in assigned ICS, Wildfire Skill, Technical Specialist, and Prescribed Fire Skill positions. These procedures are also intended to provide supervisors and managers with an additional mechanism to ensure employee safety.

Decertification is the process of removing or reducing an individual's fire suppression and/or prescribed fire management position(s) qualifications. Decertification is not an adverse action; an employee may be recertified according to the procedures set out in section 2.25.

### 1. Performance Issues Outside Fire Suppression and Prescribed Fire Management.

Different procedures are utilized to address individual performance issues in areas other than fire suppression and prescribed fire management. Refer to Agency Human Resources Policy.

### 2. Causes for Decertification. There are three causes for losing certification (decertification):

- a. An employee who currently holds a certification does not meet the currency requirements as specified by this Guide.
- b. An employee voluntarily surrenders the employee's certification of qualifications or requests to be qualified at a lower level of responsibility.
- c. As an individual or a member of a crew, incident management team, or prescribed fire team, an employee performs actions that violate recognized standard operational procedures or identified safety procedures that are determined to have been instrumental in the endangerment of fire management personnel or the public.

Examples of instances that may warrant decertification include:

- (1) Deliberately disregarding identified safe practices.
- (2) Taking insubordinate actions that lead to unsafe conditions.
- (3) Intentionally misrepresenting fire qualifications.
- (4) Ignoring prescriptive parameters identified in approved burn plans.

3. Performance Evaluation and Documentation. Performance of personnel shall be evaluated on each incident. The Forest Service shall utilize the adopted interagency team and individual performance rating forms (or recognized equivalent) when evaluating the performance of individuals.

All actions that violate established safety procedures shall be documented; associated deficient performance evaluations must also be completed. Performance reviews, especially those that trigger consideration of decertification, shall be coordinated and tracked.

4. Responsibility for Performance Evaluation and Decertification.

- a. Incident Commander. The incident commander and local unit manager are responsible for providing oversight of the initial performance review process. Inherent within the authority delegated to all incident commanders is the responsibility to relieve from assignment and demobilize any personnel for safety violations. Incident Commanders, however, do not have the authority to decertify individuals. Incident Commanders are responsible for providing documented reasons

## Forest Service Fire and Aviation Qualification Guide, Chapter 2, pt 1

---

for relieving an individual, forwarding the information to the individual's home unit, and including a copy of the individual's performance rating in the documentation package.

b. Forest Fire Program Management Staff Officer. The forest fire program management staff officer at the home unit is responsible for initiating an administrative review to determine if decertification is appropriate.

Any decision to decertify an individual should include a determination of whether remedial actions are appropriate to recertify the individual and a description of the recommended remedial actions.

During an evaluation of decertification, individual qualifications may be temporarily suspended. Judgments about qualifications can be made through expert mentoring, independent assessment, or the line officer's judgment relating to the individual's performance capabilities.

c. Washington Office, Regional and Forest Qualification Review Committee. The Washington Office, Regional Office, and Forest Qualification review committees are a key component in the certification and decertification of individuals. Qualification review committees should operate according to procedures delineated in other sections of this handbook and in FSM 5120.

Qualification Review Committees shall review individual qualifications and certification and shall address and recommend to the certifying official decertification for anyone they have reviewed for certification. If the review occurs at the forest

## Forest Service Fire and Aviation Qualification Guide, Chapter 2, pt 1

---

level, the individual reviewed shall have appeal rights with the Regional Qualification Review Committee. If the review occurs at the regional level, the individual reviewed shall have appeal rights with the Washington Office Qualification Review Committee.

5. Individuals Relieved from Fire Assignment. Individuals who have been relieved from an assignment shall not be reassigned to any incident until the certifying official approves the suitability of the individual to perform the duties associated with the qualifications for the position.

6. Interagency Teams. Interagency teams or groups fall outside Forest Service authority. These teams or groups function and operate at the sole discretion of the chartering group. Teams or groups may be formed, disbanded, held in abeyance, or re-formed at the discretion of the appropriate level of the chartering interagency group, according to applicable standards for each team. Examples of these interagency teams or groups are:

- a. Area Command teams chartered and formed by the National Multi-Agency Coordinating Group.
- b. National Type 1 teams chartered by geographic area coordinating groups.
- c. Area Type 2 teams chartered by geographic area coordinating groups or by an individual sub-geographic area group.

7. Crews. Type 1 crews are decertified according to procedures developed nationally. Type 2 crews are decertified on a geographic or sub-geographic area basis.

## **2.3 - PHYSICAL FITNESS STANDARDS AND DEFINITIONS**

Minimum physical fitness standards for positions are contained within the PMS 310-1. Fitness standards for technical specialist positions can be found in Chapter 2, pt 2.

### **2.31 - Physical Fitness Requirements**

Requirements for physical fitness are identified as arduous, moderate, light, and none required. Reference the Wildland Fire Qualification System Guide (310-1) for descriptions.

Personnel taking the work capacity test (WCT) will only complete the level of testing (pack, field, walk) required by the highest fitness level identified for a position on their incident qualification card. To further clarify, employees shall not take the WCT unless they have an incident qualification that requires it, and only at the fitness level required by that position as identified in this document.

For any position assigned to the fireline for non-suppression tasks, the required physical fitness level shall be “Light”. Visitors to the line are not “assigned to the line for non-suppression tasks” and therefore are subject to incident commander discretion and/or the guidelines as addressed in “Visits to the Fireline”, “Non-Escorted Visits” and/or “Escorted Visits” in the Interagency Standards for Fire and Fire Aviation Operations (Red Book), if applicable.

## 2.32 - Physical Fitness Measurement

The work capacity test is the physical fitness measurement recognized by the Forest Service.

## 2.33 - Fitness Development

Fire personnel required to meet the arduous level for their assigned wildland fire positions shall be provided official time for rigorous exercise to prepare for and maintain the arduous level:

1. Fire funded employees (assigned to fire crews and identified in the Fire Management Action Plan) shall be allowed up to 5 hours per week of physical training when not engaged in wildland fire operations.
2. Employees not funded by fire shall be allowed up to 3 hours per week of physical training, consistent with the local wellness programs. The applicable time is up to 6 months prior to scheduled testing and after passing the test, until the end of the proclaimed fire season. Fire program funds may be used for approved physical training time based on guaranteed availability for fire-related assignments.

The employees and their supervisors shall discuss and schedule opportunities during the work week for fitness activities.

**2.4 - MEDICAL STANDARDS [RESERVED]**

**2.5 - HEALTH SCREENING QUESTIONNAIRE [RESERVED]**

**2.6 - INCIDENT QUALIFICATION CARD**

**2.61 - PMS 310-3, Incident Qualification Card Signing Authority**

Signing Authority for Incident Response Qualifications Cards resides in the FSH 5109.17, Zero Code, 04-Responsibility.

Certification and documentation requirements must be met prior to signature of Form PMS 310-3, Incident Qualification Card.

Qualification and certification of employees shall be performed by the “hosting” Forest which mobilizes the employee. This includes employees in the Information Services Organization (ISO), Albuquerque Service Center (ASC), Research Stations, Law Enforcement and Investigations, and so forth.

For further direction on delegations of authority and responsibility for positions in the Fire and Aviation Management Program, see FSM 1230 and FSM 5100.

Incident Qualifications Card expiration dates:

- a. Positions requiring work capacity tests (WCT) are valid through the fitness expiration date listed on the card.
- b. Positions not requiring WCT for issuance are valid for 12 months from the date the card was signed by a certifying official.

## 2.7 - POSITION QUALIFICATIONS

### 2.71 - NWCG Positions

The NWCG Operations and Workforce Development Committee (OWDC) has established minimum position qualification standards for four of the position categories: Incident Command System, Wildland Fire, Incident Support, and Associated Activities. Those minimum standards are contained within the PMS 310-1.

Chapter 2 pt 1, Exhibit 01 provides the minimum position standards contained within the 310-1, as well as the Forest Service supplement including training requirements, experience, physical requirements, and other positions meeting currency requirements for the four position categories.

Chapter 2 pt 2 provides the minimum position standards that the Forest Service has established for the technical specialist positions.

\* The Position Task Book (PTB) for the Single Resource Boss positions differs from other PTBs. The first sets of tasks, common to all the Single Resource Boss positions, are the same as those required for the Crew Boss position. Additional specific tasks are required for the other types of Single Resource Boss positions (Engine, Dozer, Tractor/Plow, Felling, and Firing). When the PTB is issued to a trainee, the appropriate position(s) should be identified by crossing out the inappropriate positions on the cover. The trainee then needs to be signed off for all of the common tasks as well as those additional tasks that apply to the specific resource. Whether or not a qualified Single Resource Boss must re-complete the tasks common to all Single Resource Boss positions to become qualified as a Single Resource Boss for another resource is up to the discretion of the home unit (310-1.).

2.7 - Technical Specialist Position Qualifications..... 2

### 2.7 - Technical Specialist Position Qualifications

Each agency is tasked by the NWCG Operations and Workforce Development Committee (OWDC) with establishing minimum certification and qualifications standards for technical specialist positions. Section 2.7 provides position qualifications including training requirements, experience, physical requirements, and other positions meeting currency requirements for the technical specialist position category.

NWCG does not provide minimum standards for these positions. These positions are not contained within the National Wildland Fire Qualification System Guide, 310-1. A listing of approved titles and position job codes of identified technical specialists can be found on the Incident Qualifications and Certification System website: <http://iqcs.nwcg.gov/>.

For positions that do not have a position task book, the Washington Office, Regional or Forest Qualification Review Committee shall review and recommend to the certifying official an individual's certification and qualification, based on objective factors such as performance evaluations and visual observation of performance of duties of the positions.

**INDEX TO TECHNICAL SPECIALIST POSITIONS AND QUALIFICATIONS**

<b><u>Position (Acronym)</u></b>	<b><u>Page</u></b>
ACCOUNTING TECHNICIAN (ACCT) .....	6
AERIAL OBSERVER (AOBS) .....	7
AGENCY AVIATION MILITARY LIAISON (AAML) .....	8
AIRTANKER BASE MANAGER (ATBM) .....	9
AIRCRAFT TIMEKEEPER (ATIM).....	10
ASSISTANT CACHE MANAGER (ACMR) .....	11
BATTALION MILITARY LIAISON (BNML).....	12
BURNED AREA EMERGENCY RESPONSE SPECIALIST (BAES).....	13
BUYING TEAM LEADER (BUYL) .....	14
BUYING TEAM MEMBER (BUYM) .....	15
CACHE DEMOBILIZATION SPECIALIST (CDSP) .....	16
CACHE SUPPLY CLERK (CASC) .....	17
CACHE (SUPPLY) CLERK, SUPERVISORY (CAST).....	18
CAMP CREW BOSS (CACB).....	19
COMMUNICATIONS COORDINATOR (COMC).....	20
CONTRACTING OFFICER (CONO) .....	21
COMPUTER COORDINATOR (COCO) .....	22
COMPUTER DATA ENTRY RECORDER (CDER) .....	23
COMPUTER SPECIALIST (CTSP).....	24
CONTRACTING OFFICER'S TECHNICAL REPRESENTATIVE (COTR).....	25
DOZER OPERATOR (DZOP).....	26

I-400 Advanced Incident Command System  
IS-700 National Incident Management System (NIMS), An Introduction  
IS-800 National Response Framework (NRF), An Introduction  
ESF4 Training Course

**REQUIRED CERTIFICATION**

Regional Office FEMA Coordinator approval

**REQUIRED EXPERIENCE**

US Forest Service Agency Personnel

AND

Satisfactory position performance as a FEMA Emergency Support Function # 4 Primary Leader

AND

Satisfactory performance as an Incident Command System Command or General Staff position at the Type 1 or 2 level

OR

Geographic Area Coordinator  
Regional/Area Fire Program Manager  
Forest Fire Management Officer  
Forest Supervisor  
District Ranger

**PHYSICAL FITNESS LEVEL**

None Required

**OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY**

None

**OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS**

None

**FEMA EMERGENCY SUPPORT FUNCTION # 4 WILDLAND SUPPORT  
(ESFW)**

**REQUIRED TRAINING**

I-300 Intermediate Incident Command System  
I-400 Advanced Incident Command System  
IS-700 National Incident Management System (NIMS), An Introduction  
IS-800 National Response Framework (NRF), An Introduction  
ESF4 Training Course

**REQUIRED CERTIFICATION**

Regional Office FEMA Coordinator approval

**REQUIRED EXPERIENCE**

Satisfactory position performance as a FEMA Emergency Support Function # 4 Wildland Support (ESFW)  
AND

US Forest Service Forest Fire Management Officer,  
US Forest Service Regional/Area Fire Program Specialist  
Department of Interior Fire Management Officer  
Supervisory Dispatcher

**PHYSICAL FITNESS LEVEL**

None Required

**OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY**

ESF4 Primary Leader (ESFL)

**OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS**

None

**FEMA EMERGENCY SUPPORT FUNCTION # 4 STRUCTURE SUPPORT  
(ESFS)**

**REQUIRED TRAINING**

I-300 Intermediate Incident Command System  
I-400 Advanced Incident Command System  
IS-700 National Incident Management System (NIMS), An Introduction  
IS-800 National Response Framework (NRF), An Introduction  
ESF4 Training Course

**REQUIRED EXPERIENCE**

Served as Chief Officer in a Structure Fire Department  
OR  
USFA Fire Program Specialist  
USFA Training Specialist

**PHYSICAL FITNESS LEVEL**

None Required

**OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY**

ESF4 Administrative Support (ESFA)

**OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS**

None

**FEMA EMERGENCY SUPPORT FUNCTION # 4 ADMINISTRATIVE SUPPORT  
(ESFA)**

**REQUIRED TRAINING**

I-200 Basic Incident Command System  
IS-700 National Incident Management System (NIMS), An Introduction  
IS-800 National Response Framework (NRF), An Introduction  
ESF4 Training Course

**REQUIRED EXPERIENCE**

Experience working with Incident Management Teams, interagency cooperators, and additional support organizations (local, county, State, Federal, National Guard, Military, Tribal Government, or FEMA)

AND

Skill in word processing and spreadsheet Applications

**PHYSICAL FITNESS LEVEL**

None Required

**OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY**

None

**OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS**

None

**FIRE CACHE MANAGER (FCMG)**

**REQUIRED TRAINING**

I-100 Introduction to Incident Command System\*  
IS-700 National Incident Management System (NIMS), An Introduction  
32 Hours Supervisory training (USFS Corporate Training or L-380)

**REQUIRED CERTIFICATION**

Hazmat Certification for 49 CFR  
**AND**  
Approved by Geographic Area Cache Manager

**REQUIRED EXPERIENCE**

Experience working within the National cache system  
**AND**  
Experience with the National Interagency Cache Business System (ICBS)  
**AND**  
Familiarity with the National Fire Equipment System (NFES)  
**AND**  
Satisfactory performance as a Fire Cache Manager (FCMG)

**PHYSICAL FITNESS**

None Required

**OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY**

Assistant Fire Cache Manager (ACMR)

**OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS**

None

**FIRELINE EXPLOSIVES ADVISOR (FLEA)**

**REQUIRED TRAINING**

IS-700 National Incident Management System (NIMS), An Introduction  
RT-130 Annual Fireline Safety Refresher  
Fireline Explosives and General Blaster Certification

**REQUIRED CERTIFICATION**

General Blaster qualified with Fireline Explosives Endorsement

**AND**

Triennial re-certification

**AND**

Commercial Drivers License

**REQUIRED EXPERIENCE**

Fireline Blaster (minimum of 2 complex and 3 total assignments as a Fireline Blaster)

**AND**

Satisfactory performance as a Fireline Explosives Advisor (FLEA)

**PHYSICAL FITNESS LEVEL**

Light

**OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY**

None

**OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS**

None

**FIRELINE EXPLOSIVES BLASTER (FLEB)**

**REQUIRED TRAINING**

IS-700 National Incident Management System (NIMS), An Introduction  
RT-130 Annual Fireline Safety Refresher  
Fireline Explosives and General Blaster Certification

**REQUIRED CERTIFICATION AND LICENSE**

General Blaster qualified with Fireline Explosives endorsement

**AND**

Triennial re-certification

**AND**

Three active or dry firings per year

**AND**

Commercial Drivers License

**REQUIRED EXPERIENCE**

Fireline Explosives Crewmember

**AND**

Satisfactory performance as a Fireline Explosives Blaster (FLEB)

**PHYSICAL FITNESS LEVEL**

Arduous

**OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY**

Fireline Explosives Advisor (FLEA)

**OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS**

None

**FIRELINE EXPLOSIVES CREWMEMBER (FLEC)**

**FORWARD LOOKING INFRARED OPERATOR (FLIR)**

**REQUIRED TRAINING**

I-100 Introduction to Incident Command System\*  
IS-700 National Incident Management System (NIMS), An Introduction  
A-101 Aviation Safety (All Aircraft)  
A-113 Crash Survival  
A-204 Aircraft Capabilities & Limitations

**REQUIRED EXPERIENCE**

Satisfactory performance as a Forward Looking Infrared Operator (FLIR)

**PHYSICAL FITNESS LEVEL**

None Required

**OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY**

Infrared Interpreter (IRIN)

**OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS**

None

\* Online training at: <http://training.nwcg.gov/classes/i100.htm>

**HELICOPTER LONG LINE/REMOTE HOOK SPECIALIST (HELRL)**

**REQUIRED TRAINING**

A-110 Aviation Transport of Hazardous Materials (Every three years)

I-100 Introduction to Incident Command System\*

IS-700 National Incident Management System (NIMS), An Introduction

RT-130 Annual Fireline Safety Refresher

S-270 Basic Air Operations

**AND**

A-219 Interagency Helicopter Transport of External Loads (Every three years)

**OR**

S-271 Interagency Helicopter Crewmember

**REQUIRED EXPERIENCE**

Desirable skills are having worked around rotor wing aircraft (i.e., Helicopter Crewmember)

**AND**

Satisfactory performance as a Helicopter Long Line/Remote Hook Specialist (HELRL)

**PHYSICAL FITNESS LEVEL**

Arduous

**OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY**

Helicopter Crewmember (HECM)

**OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS**

None

\* Online training at: <http://training.nwcg.gov/classes/i100.htm>

**HELICOPTER RAPPEL SPOTTER (HERS)**

**REQUIRED TRAINING**

IS-700 National Incident Management System (NIMS), An Introduction  
RT-130 Annual Fireline Safety Refresher  
Helicopter Rappel Spotter  
Annual Helicopter Rappel Spotter Refresher, required annually after initial training

**REQUIRED EXPERIENCE**

Satisfactory position performance as a Helicopter Manager (HMGB)  
**AND**  
Satisfactory position performance as a Helicopter Rappel Spotter (HERS)

**PHYSICAL FITNESS**

Arduous

**OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY**

None

**OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS**

None

Reference materials are contained in the Interagency Helicopter Rappel Guide.

**HELICOPTER RAPPELLER (HRAP)**

**REQUIRED TRAINING**

I-100 Introduction to Incident Command System\*  
IS-700 National Incident Management System (NIMS), An Introduction  
RT-130 Annual Fireline Safety Refresher  
Helicopter Rappeller  
Annual Helicopter Rappeller Refresher

**REQUIRED EXPERIENCE**

Satisfactory performance as a Helicopter Rappeller (HRAP)  
Satisfactory performance as a Helicopter Crewmember (HECM)

**PHYSICAL FITNESS**

Arduous

**OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY**

None

**OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS**

None

\* Online training at: <http://training.nwcg.gov/classes/i100.htm>  
Reference materials are contained in the Interagency Helicopter Rappel Guide.

**HELITORCH MANAGER (HTMG)**

**REQUIRED TRAINING**

A-110 Aviation Transport of Hazardous Material (Every three years)  
IS-700 National Incident Management System (NIMS), An Introduction  
RT-130 Annual Fireline Safety Refresher  
N-9012 Helitorch Manager  
RT-9012 Annual Helitorch Manager Refresher, required annually after initial training.  
Training in the appropriate ignition devices

**REQUIRED EXPERIENCE**

Satisfactory performance as a Helitorch Mixmaster (HTMM)  
**AND**  
Satisfactory performance as a Helitorch Manager (HTMG)

**PHYSICAL FITNESS LEVEL**

Moderate

**OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY**

Helitorch Mixmaster (HTMM)

**OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS**

None

Reference materials are contained in the Interagency Aerial Ignition Guide (NFES 1080).

**HELITORCH MIXMASTER (HTMM)**

**REQUIRED TRAINING:**

A-110 Aviation Transport of Hazardous Material (Every three years)  
I-100 Introduction to Incident Command System\*  
IS-700 National Incident Management System (NIMS), An Introduction  
RT-130 Annual Fireline Safety Refresher  
N-9012 Helitorch Manager  
RT-9012 Annual Helitorch Refresher, required annually after initial training

**REQUIRED EXPERIENCE**

Satisfactory performance as a Helitorch Mixmaster (HTMM)

**PHYSICAL FITNESS**

Light

**OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY**

None

**OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS**

None

\* Online training at: <http://training.nwcg.gov/classes/i100.htm>

Reference materials are contained in the Interagency Aerial Ignition Guide (NFES 1080).

**HELITORCH PARKING TENDER (HTPT)**

**REQUIRED TRAINING:**

A-110 Aviation Transport of Hazardous Material (Every three years)  
IS-700 National Incident Management System (NIMS), An Introduction  
RT-130 Annual Fireline Safety Refresher  
S-271 Interagency Helicopter Crewmember  
N-9012 Helitorch Manager  
RT-9012 Annual Helitorch Refresher, required annually after initial training

**REQUIRED EXPERIENCE**

Satisfactory position performance as a Helicopter Crewmember (HECM)

**AND**

Satisfactory performance as a Helitorch Parking Tender (HTPT)

**PHYSICAL FITNESS LEVEL**

Moderate

**OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY**

None

**OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS**

None

Reference materials are contained in the Interagency Aerial Ignition Guide (NFES 1080).

**INCIDENT MEDICAL SPECIALIST ASSISTANT (IMSA)**

**REQUIRED TRAINING**

I-100 Introduction to Incident Command System\*  
IS-700 National Incident Management System (NIMS), An Introduction  
Geographic Area Medical Specialist Workshop

**REQUIRED CERTIFICATION**

Current State EMT Certification  
Documented Hepatitis B Vaccination  
Attendance at Geographic Area Medical Specialist Workshop/Training

**REQUIRED EXPERIENCE**

Satisfactory performance as a Incident Medical Technician (IMST)  
**AND**  
Active with an Emergency Medical Provider  
**AND**  
Satisfactory performance as an Incident Medical Assistant (IMSA)

**PHYSICAL FITNESS LEVEL**

Light

**OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY**

None

**OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS**

None

\* Online training at: <http://training.nwcg.gov/classes/i100.htm>

**MAC GROUP COORDINATOR (MCCO)**

**REQUIRED TRAINING:**

IS-700 National Incident Management System (NIMS), An Introduction  
IS-800 National Response Framework (NRF), An Introduction

**REQUIRED EXPERIENCE**

Satisfactory performance as a MAC Group Coordinator

**PHYSICAL FITNESS LEVEL**

None Required

**OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY**

None

**OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS**

I-400 Advanced Incident Command System  
M-480 Multi-Agency Coordinating Group

**MAC GROUP INFORMATION OFFICER (MCIF)**

**REQUIRED TRAINING**

IS-700 National Incident Management System (NIMS), An Introduction  
IS-800 National Response Framework (NRF), An Introduction  
I-300 Intermediate Incident Command System

**REQUIRED EXPERIENCE**

Satisfactory performance as a Public Information Officer, Type 2 (PIO2)

**AND**

Satisfactory performance as a MAC Group Information Officer (MCIF)

**PHYSICAL FITNESS LEVEL**

None Required

**OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY**

Public Information Officer, Type 1 (PIO1)

**OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS**

I-400 Advanced Incident Command System  
M-480 Multi-Agency Coordinating Group

**MAFFS AIRTANKER BASE MANAGER (MABM)**

**REQUIRED TRAINING**

MAFFS Training Exercise or MAFFS Activation (recurrent training)

**REQUIRED EXPERIENCE**

Satisfactory performance as an Airtanker Base Manager (ATBM)

**AND**

Satisfactory performance as a MAFFS Tanker Base Specialist (MABS)

**AND**

Satisfactory performance as a MABM Trainee at MAFFS Training (Ref. MAFFS Ops. Plan)

**AND**

Satisfactory performance as a MAFFS Airtanker Base Manager (MABM)

**PHYSICAL FITNESS LEVEL**

None

**OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY**

MAFFS Tanker Base Specialist (MABS)

**OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS**

None

Reference materials for this position are contained within the MAFFS Operating Plan.

**MAFFS AIRTANKER BASE SPECIALIST (MABS)**

**REQUIRED TRAINING**

IS-700 National Incident Management System (NIMS), An Introduction  
MAFFS Training Exercise

**REQUIRED EXPERIENCE**

Satisfactory performance in any Airbase position

**OR**

Satisfactory performance as a Single Engine Airtanker Manager (SEAT)

**AND**

Satisfactory performance as a MAFFS Airtanker Base Specialist (MABS)

**PHYSICAL FITNESS LEVEL**

None

**OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY**

MAFFS Airtanker Base Manager

**OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS**

None

Reference materials for this position are contained within the MAFFS Operating Plan.

**MAFFS CLERK (MAFC)**

**REQUIRED TRAINING**

I-100 Introduction to Incident Command System\*  
IS-700 National Incident Management System (NIMS), An Introduction

**REQUIRED EXPERIENCE**

Desirable skills are record keeping, organization ability and communication skills

**AND**

Satisfactory performance as a MAFFS Clerk (MAFC)

**PHYSICAL FITNESS LEVEL**

None Required

**OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY**

Expanded Dispatch Recorder (EDRC)  
Documentation Unit Leader (DOCL)

**OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS**

None

\* Online training at: <http://training.nwcg.gov/classes/i100.htm>

**MAFFS LIAISON OFFICER (MAFF)**

**REQUIRED TRAINING**

MAFFS Liaison Officer Training

**CERTIFICATION**

Approved by the National Military Liaison Officer

**REQUIRED EXPERIENCE**

Prior military experience is desirable, but not a required prerequisite

**AND**

Satisfactory performance as a MAFFS Liaison Officer (MAFF)

**PHYSICAL FITNESS LEVEL**

None Required

**OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY**

None

**OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS**

None

Reference materials for this position are in the MAFFS Operating Plan.

**MILITARY AVIATION OPERATIONS COORDINATOR (MAOC)**

**REQUIRED TRAINING**

None

**REQUIRED CERTIFICATION**

Approved by National Helicopter Specialist

**REQUIRED EXPERIENCE**

Qualified as a Helicopter Operations Specialist

**OR**

Qualified as a Helicopter Pilot Inspector (HPIN)

**AND**

Satisfactory performance as a Military Aviation Operations Coordinator (MAOC)

**PHYSICAL FITNESS LEVEL**

None Required

**OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY**

None

**OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS**

None

Reference materials for this position are in the Military Use Handbook (NFES 2175).

**MILITARY CREW LIAISON ADVISOR (MCAD)**

**REQUIRED TRAINING**

IS-700 National Incident Management System (NIMS), An Introduction  
RT-130 Annual Fireline Safety Refresher

**REQUIRED EXPERIENCE**

Prior military experience is desirable, but not a required prerequisite

**AND**

Successful position performance as a Single Resource Boss Crew (CRWB)

**AND**

Satisfactory performance as a Military Crew Liaison Advisor (MCAD)

**PHYSICAL FITNESS LEVEL**

Arduous

**OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY**

Single Resource Boss Crew (CRWB)

**OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS**

None

Reference materials for this position are in the Military Use Handbook (NFES 2175).

**MIXMASTER (MXMS)**

**REQUIRED TRAINING**

S-270 Basic Air Operations

**REQUIRED EXPERIENCE**

Satisfactory performance as a Retardant Crewmember

**AND**

Satisfactory performance as a Mixmaster (MXMS)

**PHYSICAL FITNESS**

None Required

**OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY**

Airtanker Base Manager (ATBM)

MAFFS Airtanker Base Manager MABM

**OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS**

Geographic Area Mixmaster Training

**PLASTIC SPHERE DISPENSER OPERATOR (PLDO)**

**REQUIRED TRAINING**

A-110 Aviation Transport of Hazardous Material (Every three years)  
IS-700 National Incident Management System (NIMS), An Introduction  
RT-130 Annual Fireline Safety Refresher  
N-9016 Plastic Sphere Dispenser  
RT-9016 Annual Plastic Sphere Dispenser Refresher, required annually after initial training

**REQUIRED EXPERIENCE**

Satisfactory performance as a Helicopter Crewmember (HECM)

**PHYSICAL FITNESS LEVEL**

None Required

**OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY**

None

**OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS**

Geographic Area Mixmaster Training

Reference materials are contained in the Interagency Aerial Ignition Guide (NFES 1080).

**PURCHASING AGENT, FIVE THOUSAND (PA05)**  
**PURCHASING AGENT, TEN THOUSAND (PA10)**  
**PURCHASING AGENT, TWENTY-FIVE THOUSAND (PA25)**  
**PURCHASING AGENT, FIFTY THOUSAND (PA50)**

**REQUIRED TRAINING**

I-100 Introduction to Incident Command System\*  
IS-700 National Incident Management System (NIMS), An Introduction

**REQUIRED EXPERIENCE**

Federal delegated acquisition authority to obligate Government funds and appropriate authority for the positions.

**PHYSICAL FITNESS LEVEL**

None Required

**OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY**

None

**OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS**

I-200 Basic Incident Command System

**RAMP MANAGER (RAMP)**

**REQUIRED TRAINING**

A-105 Aviation Life Support Equipment\*  
A-106 Aviation Mishap Reporting\*  
A-107 Aviation Policy and Regulations I\*  
S-270 Basic Air Operations

**REQUIRED EXPERIENCE**

Satisfactory performance as a Fixed Wing Parking Tender (FWPT)

**AND**

Satisfactory performance as a Ramp Manager (RAMP)

**PHYSICAL FITNESS LEVEL**

None Required

**OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY**

Airtanker Base Manager (ATBM)  
Fixed Wing Base Manager (FWBM)  
Fixed Wing Parking Tender (FWPT)  
MAFFS Airtanker Base Manager (MABM)

**OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS**

A-110 Aviation Transport of Hazardous Materials\*  
A-204 Aircraft Capabilities and Limitations\*

Online training located at: <http://www.iat.gov>

**REMOTE AUTOMATED WEATHER STATION TECHNICIAN (RAWS)**

**REQUIRED TRAINING:**

National Approved RAWS Maintenance Training  
I-100 Introduction to Incident Command System\*  
I-200 Basic Incident Command System  
IS-700 National Incident Management System (NIMS), An Introduction  
RT-130 Annual Fireline Safety Refresher  
S-130 Basic Firefighter  
S-190 Introduction to Wildland Fire Behavior

**REQUIRED EXPERIENCE**

Proficiency with the ASCADS System and experience with RAWS and REMS equipment

**AND**

Knowledge of fire weather observation procedures and weather station location recommendations (per PMS 426-1 and 426-3 and the Fire Weather Observers' Handbook #494, 1976)

**PHYSICAL FITNESS LEVEL**

Light

**OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY**

None

### **SECURITY GUARD, NOT LAW ENFORCEMENT (SECG)**

#### **POSITION DESCRIPTION**

Personnel utilized in this position shall not exercise law enforcement duties of either state or federal law, including arrest or detention of persons, nor carry weapons or other defensive equipment.

Uniforms may be worn and marked vehicles driven, however they shall not contain the words “police” or equivalent, or contain markings of a public law enforcement or police agency.

#### **REQUIRED TRAINING**

I-100 Introduction to Incident Command System\*

IS-700 National Incident Management System (NIMS), An Introduction

Training as required within the state of the incident for peace officer status or security guard licensing as appropriate.

#### **CERTIFICATION**

Licensed and in compliance with any applicable requirements for security guards within the state of the respective incident.

Where state law allows, peace officer or law enforcement officer training or employment may meet requirements.

#### **REQUIRED EXPERIENCE**

Satisfactory performance as a Security Guard (SECG)

#### **PHYSICAL FITNESS LEVEL**

None Required

#### **OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY**

None

AD hiring authority and procurement of private services may be used for this position.

\* Online training at: <http://training.nwcg.gov/classes/i100.htm>

**SECURITY SPECIALIST LEVEL 1 (SEC1)**

**REQUIRED TRAINING:**

Federal Law Enforcement Training Center (FLETC) Criminal Investigator or Land Management Police Training Programs  
I-100 Introduction to Incident Command System\*  
IS-700 National Incident Management System (NIMS), An Introduction

**CERTIFICATION**

Certification as Criminal Investigator or Law Enforcement Officer

**AUTHORITY**

Authorized and equipped to carry firearms, make arrests, serve warrants, conduct searches and seizures. Authorized to enforce federal or state laws.

**REQUIRED EXPERIENCE**

Satisfactory position performance as a Security Specialist Level 1 (SEC1)

**PHYSICAL FITNESS LEVEL**

None Required

**OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY**

Security Manager (SECM)

**OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS**

None

# Forest Service Fire & Aviation Qualification Guide, Chapter 3

---

--	--

## CHAPTER 3 - TRAINING, DEVELOPMENT, AND LEADERSHIP

**Effective Date: February 28, 2011**

## Table of Contents

<b>3.1 - TRAINING.....</b>	<b>3</b>
3.11 - Instructor Qualifications and Certification.....	3
3.111 - Lead Instructor Requirements for 300-level Leadership “L” Courses.....	4
3.112 - Credit for Teaching National Wildfire Coordinating Group Training Courses.....	6
3.12 - Course Delivery Standards.....	7
3.13 - Forest Service Fireline Safety Refresher Training.....	7
<b>3.2 - EQUIVALENCY COURSES .....</b>	<b>8</b>
3.21 - Historical Information for Equivalency Courses.....	12
3.22 - Interchangeable Courses.....	15
3.23 - Course Development History.....	15
<b>3.3 - DEVELOPMENT.....</b>	<b>17</b>
3.31 - Supervisory Development/Leadership.....	17

### 3.1 - TRAINING

Courses should be taken in an ascending order of complexity, based on successively higher levels of responsibility and skills in fire and aviation management.

#### 3.11 - Instructor Qualifications, Training and Certification

Certification of instructor qualifications is the responsibility of the employing agency. Instructor qualifications, training and certification standards are contained within the NWCG Field Manager's Course Guide (FMCG), PMS 901-1. Refer to the FMCG for those standards which can be found at the following website:

[http://training.nwcg.gov/sect\\_inst\\_certifications.htm](http://training.nwcg.gov/sect_inst_certifications.htm)

The Forest Service complies with the standards contained in the FMCG. In addition, Forest Service instructors shall:

1. Complete either the instructor requirements in the Field Manager's Course Guide for 200 and 300 level courses or the National Fire Protection Association (NFPA) 1041, Fire Service Instructor, which the Forest Service has identified as an equivalency course, for those courses in the Field Manager's Course Guide.
2. Meet NWCG or IAT Instructor qualification guidelines before delivering NWCG courses which have incorporated Interagency Aviation Training (IAT) materials, or any

## Forest Service Fire & Aviation Qualification Guide, Chapter 3

---

A courses applicable to employees attempting to qualify for positions contained in FSFAQG.

Certification of lead and unit instructors for the “A” courses, who have not completed A-220 Train-the-Trainer, is the decision of the National Aviation Training Specialist, located in Boise, Idaho.

### **3.111 - Lead Instructor Requirements for 300-level Leadership “L” Courses**

The L-380 Fireline Leadership and L-381 Incident Leadership are training courses which do not have a standard NWCG course package available for lead instructors. Therefore, the Forest Service uses the following process to evaluate and certify lead instructors and the course packages which they develop to meet the intent and the criteria established by the NWCG Leadership Committee.

Recommendations for certification of lead instructors submitting a new course package for either L-380 Fireline Leadership or L-381 Incident Leadership must be done by an evaluation team comprised of:

1. A team leader designated by the Forest Service representative to the NWCG Leadership Committee.
2. At least one additional evaluator from any of the agencies participating in NWCG.

## Forest Service Fire & Aviation Qualification Guide, Chapter 3

---

Recommendations for certification of new lead instructors for an existing approved L-380 or L-381 course package shall be done by a peer evaluation from an individual who is currently certified as a lead instructor for that same course.

The Forest Service representative to the NWCG Leadership Committee must approve all recommendations. A format for these evaluation procedures is available upon request from the Forest Service representative to the NWCG Leadership Committee.

<http://www.fireleadership.gov/committee/comittee.html>

A list of certified lead instructors is available at:

[http://www.fireleadership.gov/courses/L\\_380/approved\\_provider.html](http://www.fireleadership.gov/courses/L_380/approved_provider.html)

[http://www.fireleadership.gov/courses/L\\_381/approved\\_provider.html](http://www.fireleadership.gov/courses/L_381/approved_provider.html)

The course description and criteria are available at:

[http://www.fireleadership.gov/courses/L\\_380/criteria.html](http://www.fireleadership.gov/courses/L_380/criteria.html)

[http://www.fireleadership.gov/courses/L\\_381/criteria.html](http://www.fireleadership.gov/courses/L_381/criteria.html)

### 3.112 - Credit for Teaching National Wildfire Coordinating Group Training Courses

When serving as an instructor, a unit or adjunct instructor may receive credit for attending a course, provided the following conditions are met:

1. Prior agreement with the lead instructor and course coordinator is reached for the unit or adjunct instructor to complete the course.
2. The unit or adjunct instructor completing the course must meet all course prerequisites.
3. The entire training session must be attended, with adequate participation in class or small group activities.
4. Any required pre-course work material must be successfully completed.
5. All unit and course exams must be successfully completed.

Once the above conditions have been met, the Lead Instructor may issue a course completion certificate to the unit or adjunct instructor.

# Forest Service Fire & Aviation Qualification Guide, Chapter 3

---

## 3.12 - Course Delivery Standards

The Forest Service shall comply with the course delivery standards contained within the NWCG Field Manager's Course Guide. Refer to the FMCG for those standards which can be found at the following website:

<http://www.nwcg.gov/pms/training/fmcg.pdf>

## 3.13 - Forest Service Fireline Safety Refresher Training

Annual Fireline Safety Refresher Training is required for all positions as identified in FSFAQG and the *Wildland Fire Qualifications System Guide* (NWCG 310-1). Annual Fireline Safety Refresher Training is provided in order to recognize hazards and mitigate risk, maintain safe practices and to reduce accidents and near misses. The intent of the annual fireline safety refresher training is to focus suppression and prescribed fire personnel on operations and decision making issues related to incident safety.

<b>Annual Fireline Safety Refresher Training must include the following core topics:</b>	
<b>Core Topics</b>	<b>Examples</b>
<b><u>Avoiding Entrapments</u></b>	Use training and reference materials to study the risk management process as identified in the Incident Response Pocket Guide as appropriate to the participants, e.g., LCES, Standard Firefighting Orders, Eighteen Watch Out Situations, Wildfire Decision Support System (WFDSS) direction, Fire Management Plan priorities, etc.
<b><u>Current Issues</u></b>	Review and discuss identified "hot topics" as found on the current Wildland Fire Safety Training Annual Refresher (WFSTAR) website. Review forecasts and assessments for the upcoming fire season and discuss implications for firefighter safety.
<b><u>Fire Shelter</u></b>	Review and discuss last resort survival including escape and shelter deployment site selection. Conduct "hands-on" fire shelter inspections. Practice shelter deployments in applicable crew/module 18 configurations.
<b><u>Other Hazards and Safety Issues</u></b>	Choose additional hazard and safety subjects, which may include SAFENET, current safety alerts, site/unit specific safety issues and hazards.

## Forest Service Fire & Aviation Qualification Guide, Chapter 3

---

These core topics must be sufficiently covered to ensure that personnel are aware of safety concerns and procedures and can demonstrate proficiency in fire shelter deployment.

The Forest Service has No minimum refresher training hour requirements. Core topics shown above should reflect the quality of the material used and not the quantity.

Further guidance can be found at the following links:

### **[Interagency Standards for Fire and Fire Aviation Operations \(Red Book\)](#)**

**[http://www.nifc.gov/policies/red\\_book/2011/Ch13.pdf](http://www.nifc.gov/policies/red_book/2011/Ch13.pdf)**

### **[Wildland Fire Safety Training Annual Refresher \(WFSTAR\)](#)**

**<http://www.nifc.gov/wfstar/index.htm>**

## **3.2 - EQUIVALENCY COURSES**

Equivalency courses are classes that are adequate substitutes for National Wildfire Coordinating Group (NWCG) approved curriculum and that are approved by the Washington Office, Branch Chief for Fire Training. Approved equivalency courses are listed in exhibit 01.

1. Process to Evaluate and Establish Equivalency Courses. The appropriate Regional Training Working Team or steering committee shall identify the need for an equivalency analysis of a specific course. The committee shall assign an evaluation team (see para. 2 regarding the team composition) to conduct the analysis, document their findings, and submit recommendations through agency channels to the Washington Office, Fire and Aviation Management, Branch Chief for Fire Training for an equivalency review.

## Forest Service Fire & Aviation Qualification Guide, Chapter 3

---

- a. If the Branch Chief for Fire Training determines that the equivalency course analysis is sufficient and the proposed course meets the NWCG certified course standards, the Branch Chief shall recognize the course as equivalent.
  - b. The Branch Chief may also recommend acceptance of the equivalency course(s) to the NWCG Operations and Workforce Development Committee (OWDC).
2. Evaluation Team Composition. The evaluation team shall be comprised of a minimum of three of the following members, including: lead instructor, cadre member, and course developer or subject matter expert for the respective NWCG course. The evaluators shall be individuals either who have been involved within the past 3 years with instructing the NWCG course, or who are familiar with the course development and revision process.
3. Equivalency Courses. The Branch Chief for Fire Training has determined that the courses listed in exhibit 01 are equivalent to the identified NWCG course. Persons who have successfully completed the identified equivalency course do not need to attend the corresponding NWCG course.

# Forest Service Fire & Aviation Qualification Guide, Chapter 3

---

## 3.2 - Exhibit 01

### List of Approved Equivalency Courses

<u>NWCG Approved Curriculum</u>	<u>Approved Equivalency Course(s) and Experience</u>
D-312 Aircraft Dispatcher	<p>Bureau of Land Management Aviation Dispatcher</p> <p>This equivalency is retroactive for all individuals who previously completed the BLM Aviation Dispatcher course. Competency for D-312 should be granted in the employee's IQCS file.</p>
L-180 - Human Factors on the Fireline	S-130 - Firefighter Training (2003 version). The 2003 version of S-130 incorporates L-180 into the course package. Individuals completing the 2003 version of S-130 should be given course completion certificates for both S-130 and L-180, both courses should be entered into the Incident Qualification and Certification System (IQCS).
<p>L-380 - Fireline Leadership</p> <p>This course was also delivered under the following titles in 2001-2003: FMO Leadership Workshop Leading in Fire Management</p>	<p>Employees who completed L-380 can be granted course competency in IQCS for the L-180 Human Factors on the Fireline and L-280 Followership to Leadership courses with the following justification statement: "Employee's Name" completed L-380 prior to L-180 and L-280. Course competency has been granted for these courses.</p>
L-381 - Incident Leadership	Employees who completed L-381 can be granted course competency in IQCS for L-180 Human Factors on the Fireline.
M-410 - Facilitative Instructor	<p>National Fire Protection Association (NFPA) 1041, Fire Service Instructor I, with proficiency as set out in the NWCG Field Manager's Course Guide.</p> <p>National Fire Protection Association (NFPA) 1a and 1b (must complete both courses), with proficiency as set out in the NWCG Field Manager's Course Guide.</p>
M-410 Facilitative Instructor and NFPA 1041	A-220 Train-the-Trainer (for delivery of the "A" course curriculum only)

## Forest Service Fire & Aviation Qualification Guide, Chapter 3

---

### **3.2 - Exhibit 01--Continued**

S-110 - Basic Wildland Fire Orientation	<p>Experience in operations positions on an incident. S-110 is designed for non-operations personnel slated for a first on-incident assignment. Many of the Technical Specialist positions listed in chapter 20 reflect S-110 as required training.</p> <p>However, if the incumbent has had fireline experience or previous incident experience, S-110 is not required. In these instances, course competency for S-110 should be granted in IQCS with a justification statement explaining that the individual has previous incident experience.</p>
S-336 - Fire Suppression Tactics	<p>Successful completion of either:</p> <p>S-230 (1996 version) - Single Resource Boss AND S-215 - Fire Operations in the Urban Interface OR S-330 - Task Force/Strike Team Leader AND S-215 - Fire Operations in the Urban Interface</p>
S-580 - Advanced Fire Use Applications	<p>Managing Wildland Fire for Resource Benefits (offered in Region 1). Applies only to Strategic Operational Planner qualifications.</p>
RX-310 - Introduction to Fire Effects	<p>Successful completion of Technical Fire Management.</p>

### **3.21 - Historical Information for Equivalency Courses**

In 2002 the Forest Service developed an equivalency process for evaluating courses which adequately substitute for NWCG courses. The following courses were removed from the NWCG curriculum, but are provided for historical documentation in an employee's master file record (FSH 5109.17, sec. 22.1, Record Keeping).

# Forest Service Fire & Aviation Qualification Guide, Chapter 3

---

## 3.21 - Exhibit 01

### List of Courses Removed From NWCG Curriculum

<u>NWCG Approved Curriculum</u>	<u>Approved Equivalency Course(s)</u>
<p>S-201/S-281 - Supervisory Concepts and Techniques (Prior to 10/1/2003)</p> <p>Note: Removed from the NWCG curriculum in October 2003. Credit should not be given for the course after 9/30/2003.</p>	<p>Forest Service Corporate Training Practical Leadership Skills for New First-Line Supervisors.</p> <p>Note: The Forest service does not recognize S-201/S-281 as equivalent to L-280 Followership to Leadership.</p>
<p>S-301/S-381 - Leadership and Organizational Development</p> <p>Note: Removed from Forest Service recognition in July 2003. Removed from the NWCG curriculum in October 2004.</p>	<p>L-380 Fireline Leadership. This course was also delivered under the following titles in 2001-2003:</p> <p>FMO Leadership Workshop Leading in Fire Management</p>
<p>Interagency Aviation Management and Safety (IAMS)</p>	<p>The following modules may be offered at the Aviation Centered Education (ACE) or Regional Workshops and are equivalent to the NWCG IAMS course for identified positions:</p> <p><u>Supervisory Dispatcher (EDSP):</u>                      A-101 Basic Aircraft Safety                      A-104 Aircraft Capabilities and Limitations                      A-106 Aircraft Mishap Reporting                      A-109 Aircraft Radio Use                      A-112 Mission Planning and Flight Request Process                      A-202 Interagency Aviation Organizations                      A-203 Basic Airspace                      A-206 Aviation Acquisition/Procurement I                      A-207 Aircraft Dispatching                      A-302 Personal Responsibility and Liability                      A-303 Human Factors in Aviation                      A-305 Risk Management                      A-307 Aviation Policy and Regulations II</p> <p><u>Helicopter Manager:</u>                      A-101 Aviation Safety                      A-103 Helicopter Safety                      A-104 Overview of Aircraft Capabilities and Limitations                      A-105 Aviation Life Support and Equipment                      A-106 Aviation Mishap Reporting                      A-107 Aviation Policy and Regulations                      A-108 Pre-Flight Checklist and Briefing/Debriefing                      A-112 Mission Planning and Flight Request Process                      A-113 Crash Survival</p>

## Forest Service Fire & Aviation Qualification Guide, Chapter 3

Interagency Aviation Management and Safety (IAMS)	<u>Air Operations Branch Director (AOBD), Air Tactical Group Supervisor (ATGS), Air Support Group Supervisor (ASGS), Air Tanker/Fixed Wing Coordinator (ATCO), Ramp Manager (RAMP), and Fixed Wing Base Manager (FWBM):</u> A-101 Basic Aircraft Safety A-102 Fixed Wing Safety A-103 Helicopter Safety A-105 Aviation Life Support Equipment A-106 Aircraft Mishap Reporting A-107 Aviation Policy and Regulations 1 A-109 Aircraft Radio Use A-112 Mission Planning and Flight Request Process A-113 Crash Survival A-202 Interagency Aviation Organizations A-203 Basic Airspace A-204 Aircraft Capabilities and Limitations A-206 Aviation Acquisition/Procurement I A-311 Aviation Planning A-301 Implementing Aviation Safety and Accident Programs A-302 Personal Responsibility and Liability A-303 Human Factors in Aviation A-305 Risk Management
---	---

More information on NWCG course History is located at:

[http://training.nwcg.gov/sect\\_training\\_curriculum.htm](http://training.nwcg.gov/sect_training_curriculum.htm)

### 3.22 – Interchangeable Courses

NWCG has approved interchangeable courses. A description of the interchangeable course guidelines and approved interchangeable courses can be found in the Field Manager’s Course

Guide: <http://www.nwcg.gov/pms/training/fmcg.pdf>

The ICS-100 and ICS-200 courses accessible in AgLearn have not been deemed to be interchangeable.

For positions in this handbook which require I-100 and I-200, equivalency can be met by successfully completing one of the approved interchangeable courses listed in the Field Manager’s Course Guide.

### 3.23 - Course Development History

The NWCG Course Development and Standards Division provide historical information on course development which includes course numbering and course title changes. Information is available on the following website, under “Course Development/Revision Status”:

[http://training.nwcg.gov/sect\\_training\\_curriculum.htm](http://training.nwcg.gov/sect_training_curriculum.htm)

The following exhibit is an addendum to the information contained in the “Curriculum Status” website, and it includes dates of certification and removal of courses from the NWCG curriculum:

## Forest Service Fire & Aviation Qualification Guide, Chapter 3

### 3.23 - Exhibit 01 Addendum to Curriculum Status Website

<u>Development History</u>	<u>NWCG Approved Curriculum - Equivalent Course(s)</u>
I-220 - Basic Incident Command System, certified in 1983, obsolete after November 1993	I-100 - Introduction to Incident Command System, available Feb. 1994 I-200 - Basic Incident Command System, available Feb. 1994
I-375 - Air Support Group Supervisor, certified in 1986, obsolete after December 1996	J-375 - Air Support Group Supervisor, certified in 1997
P-151 - Wildfire Origin and Cause Determination, obsolete after 2003	FI - 210 - Wildland Fire Origin and Cause Determination, certified in 2005
Prescribed Fire Management, obsolete after 2000	RX-300 - Prescribed Fire Burn Boss, certified in 2000
Managing Fire Effects, obsolete after 1995	RX-310/RX-340 - Introduction to Fire Effects, certified in 1995
S-213 - Tractor Use/Tractor Boss, certified in 1979; obsolete after November 1995	S-233 - Tractor/Plow Boss, Single Resource, certified in 1995
S-215 - Firing Equipment/Firing Boss, certified in 1979; obsolete after December 1991	S-234 - Ignition Operations, certified in 1991
S-261 - Personnel Timerecorder, S-262 - Equipment Timerecorder; S-263 - Claims Specialist, S-264 - Compensation for Injury Specialist; S-266 - Commissary Manager all courses were certified in 1988; obsolete after December 1996	S-261 - Applied Interagency Incident Business Management, certified in 1999
S-390 - Intermediate Wildland Fire Behavior, certified in 1981, obsolete after November 1993	S-290 - Intermediate Wildland Fire Behavior, available in February 1994 S-390 - Introduction to Wildland Fire Behavior Calculations, available in February 1994
I-330 - Task Force/Strike Team Leader; I-333 - Strike Team Leader, Crew; I-334 - Strike Team Leader, Engine; I-335 - Strike Team Leader, Dozer; certified in 1984 and obsolete after September 1995	S-330 - Task Force/Strike Team Leader, certified in 1996
I-339 - Division/Group Supervisor, certified in 1985, obsolete after September 1995	S-339 - Division/Group Supervisor, certified in 1997
I-362 - Cost Unit Leader; I-363 - Compensation/Claims Unit Leader; I-365 - Time Unit Leader; I-368 - Procurement Unit Leader; certified in 1987, obsolete after 2000	S-360 - Finance/Administration Unit Leader, certified in 2000
I-271 - Helibase Manager, certified in 1986, obsolete after December 1996	S-371 - Helibase Manager, certified in 1997
I-403 - Information Officer, certified in 1988, obsolete after 2001	S-403 - Information Officer, certified in 2001
I-401 - Safety Officer, certified in 1986	S-404 - Safety Officer, certified in 2002

### 3.3 - DEVELOPMENT

#### 3.31 - Supervisory Development/Leadership

If an employee has not yet completed the Forest Service second 40 hours of supervision training as required in FSH 6109.13 (the Branch of Corporate Training course entitled, “Leadership Skills for Experienced Managers and Supervisors”), then completion of L-380 Fireline Leadership, or L-381 Incident Leadership, or L-480 Organizational Leadership in the Wildland Fire Service have been deemed as equivalent courses. However, completion of “Leadership Skills for Experienced Managers and Supervisors” has not been deemed to be an equivalent course to L-380, L-381, or L-480.

The contents and format of the second 40 hours of supervisor training are determined by the supervisor or management of the local unit and should be adapted to the needs of the employee’s job.

Provided that the employee’s supervisor approves L-380 or L-381, or L-480 as part of the employee’s Individual Development Plan (IDP) as well as recorded in the Incident Qualification and Certification System (IQCS) Incident Responder Development Plan (IRDP), these training courses should meet the supervisory training requirement. Further direction regarding supervision training is found in FSH 6109.13.

---

### 4.1 - FIRE AND AVIATION POSITION COMPETENCIES

The Federal Fire and Aviation Leadership Council has developed the Interagency Fire Program Management Qualifications Standards and Guide, which contains minimum qualification standards for fire and aviation management positions. The Forest Service has determined that in addition to the minimum qualification standards contained in IFPM and FS-FPM, the following competencies are required to reach full performance in each associated position listed in sections 4.11, 4.12 and 4.13.

## HOTSHOT ASSISTANT SUPERINTENDENT/CAPTAIN

---

### REQUIRED TRAINING:

I-300 Intermediate ICS  
L-380 Fireline Leadership  
S-200 Initial Attack IC  
S-330 Task Force/Strike Team Leader  
S-390 Intro to Fire Behavior Calculations  
**AND**  
Hotshot Squad Leader Required Training

### REQUIRED DEVELOPMENTAL TRAINING (must be obtained within the first year):

M-410 Facilitative Instructor or equivalent

### CERTIFICATION:

RT-130 Annual Fireline Safety Refresher  
Annual Operational Preparedness Training

### PREREQUISITE EXPERIENCE:

FS-FPM Minimum Qualification Standards for IHCAS  
(see FS-FPM Crosswalk located at  
<http://www.fs.fed.us/fire/management/ifpm/crosswalk.pdf>)

### PHYSICAL FITNESS:

Arduous

\*Desired fitness goals also include completing:  
1.5-mile run in a time of 10:35 or less

**AND**

Forty sit-ups in sixty seconds

**AND**

Twenty-five push-ups in sixty seconds

**AND**

Four chin-ups (>170 lbs. body weight)

Five chin-ups (135-170 lbs. body weight)

Six chin-ups (110-134 lbs. body weight)

Seven chin-ups (<110 lbs. body weight)

\* Reference “Standards for Interagency Hotshot Crew Operations” (FSM 5108)

### **4.13 – Forest Service Implementation of Interagency Fire Program Management (IFPM) and Forest Service Fire Program Management (FS-FPM).**

On October 1, 2004 the Forest Service, in conjunction with the Department of Interior wildland agencies, implemented the Interagency Fire Program Management (IFPM) Standard and Guide. The intent of IFPM is to establish minimum qualification standards for 13 key fire management positions to ensure a minimum level of NWCG qualifications, specialized experience, and training was required for each position. All Fire and Aviation Management employees that occupy one of the IFPM positions were required to meet all of the position standards as of October 1, 2010 and thereafter.

In 2008, the Forest Service created an agency addendum to IFPM called Forest Service Fire Program Management (FS-FPM) to establish the minimum qualification standards for key fire management positions that were subordinate to one of the IFPM positions, or were located on a subunit (i.e. Ranger District). The implementation period for FS-FPM is scheduled to conclude on October 1, 2013, and all Fire and Aviation Management employees that occupy one of the FS-FPM positions are required to meet the position standards on that date and thereafter.

The following is a summary of all the IFPM and FS-FPM fire and aviation management positions recognized by the Forest Service.

## Forest Service Fire & Aviation Qualification Guide, Chapter 4

---

### 4.13 - Exhibit 01

<b>IFPM AND FS-FPM STANDARD POSITIONS</b>		
<b>IFPM Category</b>	<b>FS Positions in IFPM</b>	<b>FS Positions in FS-FPM</b>
Unit Fire Program Manager	Forest FMO	Forest AFMO District or Zone FMO

Initial Attack Dispatcher	Initial Attack Dispatcher	
Geographic Area Fire Program Manager	Regional Office	
National Fire Program Manager	National Office	

The Forest Service IFPM/FS-FPM Standard Position Description Crosswalk and implementation procedures for IFPM and FS-FPM can be located at:

<http://www.fs.fed.us/fire/management/ifpm/index.html>

It is the responsibility of each Forest Service unit to ensure all encumbered FS-FPM employees meet their minimum qualification standards by October 1, 2013. This includes prioritizing training and associated costs as well as providing employees with work time to complete the training.
